Avide G9 LED bulb, 4.5W - 400lm 3000K

Powerful and energy-efficient LED bulb with G9 base

Avide LED G9 4.5W - 3000K Warm White

Powerful and energy-efficient LED bulb with G9 base

The Avide LED G9 4.5W is an energy-efficient LED light source providing bright and comfortable warm white light at 3000K. With a luminous flux of 400 lumens, it is suitable for both decorative and functional lighting applications where good, wide-area illumination is required.

The bulb features a 220° beam angle, providing broad and effective light distribution. With a power consumption of only 4.5W and a lifespan of up to 25,000 hours, it is an excellent alternative to traditional G9 bulbs.

Benefits

- Low power consumption of only 4.5W
- 400 lumens
