## LED Position Lights, 5xSMD 24V - BAI5s

Extra strong BA15 LED position lights with 5 pcs. 3-Chip SMD diodes.

The price is for a set of 2 light bulbs.

Extra strong BA15 LED position lights with 5 pcs. 3-Chip SMD diodes.

The built-in voltage regulator protects the diodes for a high voltage.

The brightness is equivalent with 5W

Please, pay attention that a high heat from the headlights/remote spotlights shortens the life-time of the LEDs!

- Diameter: 15 mm
- Length: 34 mm (measured from the pole to the diode peak)
- REF. No: 1156, 382, 13821, R5W, R10W, 24V
