

Mini LED Work Lamp - 2.0W COB

A nice and compact mini work light with a large 2W COB LED that creates 200 lumen.

A nice and compact mini work light with a large 2W COB LED that creates 200 lumen. The lamp can also be used as a flash-light with 3 LEDs in the front. The work light and the flash light are toggled by turning the lamp on and off with the switch on the front. The compact size makes it practical in both workshops and in cars.

There is a magnet on the backside and a hook that can be lifted out of the lamp, so that you can hang it up.

The lamp uses 3 x AAA batteries (not included) that can be swapped by taking 3 screws of the backside.
