

ScanGrip ZONE 2 Headlamp

ScanGrip ZONE LED rechargeable headlamp with the newest COB LED technology. Extremely powerful illumination.

As opposed to all other headlamps providing a beam of light, ZONE 2 is designed to provide optimum work light illuminating your entire work area.

Supplied with the newest COB LED technology, the ZONE 2 provides an extremely powerful illumination which spreads the uniform light to the maximum and lightens up your entire field of view. With ZONE 2 you avoid turning the head to illuminate your actual workspace from a limited headlamp beam.

ZONE 2 is designed for professional use. It is sturdy and has a low weight of only 76g. The low weight and the design also make this lamp very attractive to use for leisure activities such as running or walking the dog.

- Lights up your entire field of view
- New rechargeable battery technology - 1200maH
- IP54 and IK07
- Designed for professional work
- Low weight (only 76g)
- 3 step light output : 20 / 100 / 200 lm
- Batterytime 22 hours on low beam - 2 hours on high beam.
