

Mikrus S - Astor, G4

Exclusive lamp for Mikrus tracks, that uses a G4 bulb. The large reflector sends the light out in one direction.

Exclusive lamp in chrome for Mikrus tracks, that uses a G4 bulb. The large reflector sends the light out in one direction. The lamp can use both G4 LED and halogen bulbs.

The base makes it easy to turn the lamp around its axis, and the reflector can also be turned around. This makes it simple to adjust the light according to your wishes. The reflector can be taken off completely, either for special G4 bulbs or when replacing these.
