

## LED fire light bulb E14 336SMD, white opal

LED fire light bulb, illuminate your home in a new way.

Give yourself a warm welcome when you get home to the house with the warm orange glow from the firelamp.

The LED bulb can be used both indoors and outdoors. Ideal both in the living room and in the driveway.

The LED bulb is with clear glass. It provides an extra unique lighting effect from a distance.

The bulb makes a moving pattern that makes the light more vivid and fascinating to look at.

The light output of 300 lumens is roughly equivalent to a traditional 25 watt lamp.

The bulb is made with E14 socket.

Ref: 64119
