Rail with magnets, for hanging up tools and similar. 30cm or 45cm. Two or more rails can easily be put together.

Buy online at:

[www.matronics.eu/A920001](http://www.matronics.eu/A920001)

There is a label over the magnets, but this can be removed with a label-remover spray or similar.

Screws and rawplugs are included for fastening. They can also be bolted on to eg. system profiles.
