Matronics Double-Burner emitter with Strobe

Two dual color emitters that fit in to Double-Burner lamps. The included controller handles light color and strobe light.

1Two dual color emitters that fit in to Double-Burner lamps. 12 bright dual color LEDs, and 6 high power LEDs in each emitter, that creates a great position light, and highly visible warning light.

The set contains of these parts for 2 separate Double Burner lamps:

- 2 x Dual Color + Strobe emitters with M8 cables
- 1 x Controller with M8 connectors

The original bulb holder is removed, and our led emitter is fastened through the rubber bases. Finally, you put the original glass over. Bolts and nuts for fastening til emitter is included, as is a foam base, if you do not have the original rubber-base.

Double-burner lamps / glasses are NOT included and are sold separately. Pictures are only for demonstration.

The included controller handles position light color and strobe light.

The controller has 4 modes:

- Gray: Minus
- White: Plus(+)
- Blue: Yellow light(+)
- Brown: Strobe(+)
- Black: Greeting(+)
