

## Strands Siberia SR LED light-bar, E-approved

Strands double-rowed LED light-bar with dual color position-light at the bottom. E-approved for road use.

E-approved LED bars by Strands with dual-colour position-light at the bottom making it a stylish and modern look.

The dual-color position-light gives you the possibility to change between white and yellow positions-light as you feel like it so that it fits your vehicle.

The XPA version has a lower reference number, but shines significantly longer/wider than standard in Xperience Mode:

The 12" is a spot model. It lights give a focused and high beam.

The 22" is a combo model. On each side sits Flood lenses and in the center - Spot lenses. This way you have a good combination of the broad light spreading from the sides and the focused light in the center.

The lens glass is produced in polycarbonate and the lamp housing is made of powder-coated aluminum to achieve a sleek design and good cooling for the LEDs.

There are brackets included for mounting and also a pre-mounted 4-pin DT plug, which makes the installation much easier.

- Black: Minus / -
- Red: High-beam
- White: White position-light
- Yellow: Yellow position-light

E-approvements: ECE R112, R7, R10, CE

Ref.: 809170, 809171, 809172, 809173

XPA: 809411A, 809412A
