Prolumo Work BASIC 40,5W - LED worklamp, E-approved

E-Approved reversing light with 27 powerful Osram LEDs. Wide viewangle.

E-approved LED lamp with 27 powerful Osram LEDs. Aluminum housing with durable powder coating and stainless steel brackets. The light color is 5700K, and the 90-degree optics provide good and broad light distribution.

The E-approval covers use as reversing light (R148 + AR), but it is also suitable for many other purposes.

The lamp has a built-in thermal control that reduces light intensity in case of component overheating. This provides the best combination of brightness and durability. At its peak, it delivers 4200 effective lumens, and at its lowest, it is reduced to 2652 effective lumens.

Brackets, bolts, and nuts for mounting are included.

Prolumo Work BASIC 40,5W - LED worklamp, E-approved
SKU 24606620
LEDs: 27 x Osram (3030) LED
light scattering: 90°
Voltage: 10-80V (with surge protection)
Colortemperature: 5700K
Work temperature: -20°C to +50°C
Consumtion (12V): 2,57 - 3,89A
Consumtion (24V): 1,12 - 1,86A
Raw Lumen: 6591lm
Effective Lumen: 2652-4200lm
Dimensions: 39,8 x 121,27 x 99,84mm
