Prolumo Work BASIC 31,5W Round - LED worklamp, E-approved

Round E-Approved reversing light with 21 powerful Osram LEDs. Wide viewangle.

Round E-approved LED lamp with 21 powerful Osram LEDs. Aluminum housing with durable powder coating and stainless steel brackets. The light color is 5700K, and the 90-degree optics provide good and broad light distribution.

The E-approval covers use as reversing light (R148 + AR), but it is also suitable for many other purposes.

The lamp has a built-in thermal control that reduces light intensity in case of component overheating. This provides the best combination of brightness and durability. At its peak, it delivers 3619 effective lumens, and at its lowest, it is reduced to 2374 effective lumens.

Brackets, bolts, and nuts for mounting are included.

Prolumo Work BASIC 31,5W Round - LED worklamp, E-approved
SKU 24606621
LEDs: 21 x Osram (3030) LED
light scattering: 90°
Voltage: 10-30V (with surge protection)
Colortemperature: 5700K
Work temperature: -20°C to +50°C
Consumtion (12V): 2,10 - 3,10A
Consumtion (24V): 0,94 - 1,51A
Raw Lumen: 5126lm
Effective Lumen: 2374-3619lm
Dimensions: 40,9 x 111,5 x 99,8mm
