

H8 Osram Night Breaker LED kit, 2 pack, E-godkendt

E-approved H8 LED headlight kit for cars from Osram for legal use on public roads.

NIGHT BREAKER LED SMART – Innovative fog light bulbs from OSRAM
NIGHT BREAKER LED SMART bulbs offer modern, bright white light with a color temperature of up to 6000 Kelvin. They enable an easy switch from conventional halogen bulbs to more efficient and long-lasting LED technology.

These bulbs impress with a lifespan that is up to 6 times longer¹⁾ than standard bulbs and reduce energy consumption by up to 80%. The vibration-resistant design and IP54 certification ensure high reliability, even under difficult conditions.

NIGHT BREAKER LED SMART are the ideal complement to other OSRAM solutions such as NIGHT BREAKER LED or HID bulbs. They not only offer a uniform and modern vehicle design, but are also road legal²⁾ and can be used safely on public roads.

Choose NIGHT BREAKER LED SMART bulbs to equip your vehicle with the latest technology. OSRAM also offers a special warranty³⁾ on these revolutionary LED bulbs.

Color temperature: Up to 6000 Kelvin

Energy saving: Up to 80%

Lifetime: Up to 6 times longer¹⁾

IP54 certification: Protection against water and dust

1) Compared to standard halogen lamps.

2) Complies with road traffic laws.

3) Warranty information can be found on the manufacturer's website.
