

## H10 Osram Night Breaker LED kit, 2 pack, E-approved

E-approved H10 LED headlight kit for cars from Osram for legal use on public roads.

NIGHT BREAKER LED SMART – Bright and innovative fog light bulbs from OSRAM

The NIGHT BREAKER LED SMART bulbs from OSRAM offer exceptionally bright light, a compact design and a particularly long service life – all with roadworthiness approval<sup>1)</sup>. They enable easy conversion from conventional halogen bulbs to advanced LED technology.

These bulbs are the perfect complement to already installed NIGHT BREAKER LED or HID bulbs from OSRAM and offer an ideal combination for a comprehensive LED lighting upgrade. They set new standards in innovation, precision, versatility and functionality.

The NIGHT BREAKER LED SMART bulbs produce a modern, bright white light with a color temperature of up to 6000 Kelvin. They offer a wider light beam than conventional halogen bulbs and provide cool white light where it is needed.

Thanks to the latest LED technology, they consume up to 80% less energy and have a service life that is up to six times longer<sup>2)</sup>. The vibration-resistant design and IP54 certification guarantee reliability and durability, even under demanding conditions.

Upgrade your vehicle now with NIGHT BREAKER LED SMART lamps and experience revolutionary brightness with roadworthiness approval<sup>1)</sup>. OSRAM also offers a dedicated warranty on all NIGHT BREAKER LED lamps<sup>3)</sup>.

Color temperature: Up to 6000 Kelvin

Energy savings: Up to 80%

Lifetime: Up to 6 times longer<sup>2)</sup>

IP54 certified: Protection against water and dust

1) Complies with current road regulations.

2) Compared to standard halogen lamps.

3) Warranty information can be found on the manufacturer's website.
