

HB4 Osram Night Breaker LED kit, 2 pack, E-approved

E-approved HB4 LED headlight kit for cars from Osram for legal use on public roads.

NIGHT BREAKER LED SMART – The next generation of fog light bulbs

The new NIGHT BREAKER LED SMART bulbs from OSRAM offer exceptionally bright light, a compact design and a long service life – all with road approval¹). These LED bulbs allow you to replace conventional halogen bulbs with advanced OSRAM LED technology.

These bulbs are a perfect complement to existing NIGHT BREAKER LED or HID bulbs and offer an ideal combination for a complete LED lighting upgrade. They set new standards for innovation, precision and versatility.

The NIGHT BREAKER LED SMART bulbs produce a modern, bright white light with a color temperature of up to 6000 Kelvin. Compared to conventional halogen bulbs, they offer a wider light beam, providing optimal illumination even in challenging conditions.

With up to 80% less energy consumption and up to 6 times longer service life²), these LED bulbs are not only efficient but also particularly durable. They are vibration-resistant and offer protection against water and dust thanks to their IP54 certification.

Equip your vehicle now with NIGHT BREAKER LED SMART lamps and enjoy outstanding brightness and safety on the road. OSRAM also offers a special warranty³ on these innovative LED lamps.

Color temperature: Up to 6000 Kelvin

Energy savings: Up to 80%
