

48W LED Work Light, E-Marked IO-3OV - restsalg 440

E-Approved Work light with 16 powerful LEDs.

Note that this product is a clearance sale. We only have 1 products(s) in stock.

E-Marked working lamp with 16 powerful Osram LEDs. Alu-house with powerful powder-coating and stainless steel. The light color is 6000K and lens of 60 degrees gives a good and a broad diffusion of light, suitable for work.

Includes brackets, bolts and nuts for fastening.

This is a brand new model with Osram LEDs that provide higher lumen at lower power consumption. It matches the traditional 48W models of light output, while the real consumption about 25W.

Cable length: 40cm

IP67 / IP69K
