

10-16Vdc Voltage Converter 18 Watt 12V

Voltage converter 18 Watt - 12V

Waterproof voltage converter with a fixed output on 12Vdc @ 18W

The voltage converter has a big advantage, since it is protected of high voltage-noises, voltage from cars, scooters and other MC.

Input: 10 - 16Vdc

Output: 12V ~ 1.5 amp.

Dimensions:

Width: 38 mm

Length: 81 mm

Height: 22 mm
