

RGB wires - 3 x 0.25mm² and 1 x 1mm²

RGB wires in the colours - red, blue, green and gray.

Wires for soldering on RGB stripes. Sold in continuous metres.

When you order 1 metre, you get 1 metre of all 4 colors. If you order 3 metres, you get 3 metres of each color.

The wires are maximum 10m long when measured. If you purchase 15 meters, you will receive one length of 10m, and one length of 5m.
