Matronics Flexbox 2 - Mini LED Lamp, 10V - 30V

An extra small LED lamp with 2 powerful LEDs. Waterproof and can be mounted indoors and outdoors, both on cars and trucks.

Matronics Flexbox 2 is an extra small LED lamp with 2 powerful LEDs. The lamp is potted, so it is completely waterproof. It can be mounted both indoors and outdoors, on both cars and trucks. The lamp has a built-in voltage regulator, so it can be connected to both 10V and 30V.

The measurements of the lamp are only 43mm x 13mm x 8mm. The mounting holes in the lamp are 3.5mm and they have a distance of 33mm. The lamp is mounted with 3mm screws. The holes are recessed, so the lamp has a flat surface when mounted.

There is a 50cm red wire and a black wire that comes out of the back, which are connected to respectively plus and minus.
