100 pcs. Mounting Holders for LEDs - Metal

Mounting holders in metal for mounting 3 and 5mm indoor LEDs or 3mm outdoor LEDs. They are bolted on with the included bolt.

Mounting holders in metal for mounting 3mm and 5mm indoor LEDs or 3mm outdoor LEDs.

The holders are easily bolted on with the included nut. The LED can be fixated with glue from a heated glue gun or you can use the included plastic end-cap.

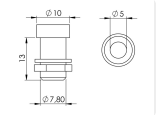

The holders are made of nickel-plated copper.
