Outdoor light chain for batteries (3xAA)

A nice light-chain with 40, 80 and 120 LEDs. The waterproof battery-holder makes it easy to mount outdoors. 8 light-effect programs and 6/18 timer.

A nice light-chain with 40, 80 or 120 LEDs. The waterproof battery-holder with space for 3 x AAA batteries (not included), makes it easy to mount outdoors. The built-in double timer saves you power and troubles turning the lights on and off at the morning and afternoon.
Light-chain is with black wire.

8 light-effect programs:

- Combination
- In wave
- Sequential
- Slow fade
- Chasing / flash
- Fade
- Twinkle / flash
- Steady on
