

Waterproof LED wall light in aluminium

Compact angled wall light that shines down and outwards. Can be used anywhere. Obvious choice on camper. 3 year warranty.

Compact angled wall light that shines down and outwards. The simple housing is made of anodized aluminium and endcaps in light-gray plastic. It can be mounted everywhere as it is completely waterproof (IP67), both indoor and outdoor without problems.

The nice silver lamp is a obvious choice when you need light on eg. your camper, over the door or elsewhere.

The lamp is easily mounted with the built-in brackets. The endcaps are pulled off where after they can be screwed on with the included screws.
