Serie 30 & 40 - Fence / Net holder type 2

Simple holder for fence and net, that fits in to series 30 and 40 profiles. Clamps itself and the fence in the track.

Simple holder for fence and net, that fits in to series 30 and 40 profiles. When the net is in place in the track, you simply place this around a wire. When you tighten the pinol screw, it locks itself and the net in the track.
