LED christmas tree 12-24V

LED Christmas tree with cigar plug for 12V or 24V, perfect decoration for use in the car or truck during the Christmas season.

LED Christmas tree with cigar plug on a 100cm core, that can be plugged directly into 12V or 24V. It is therefore perfect for use in a car or truck if you want to decorate it up to Christmas time. The LED light is green and is made of a flexible mat tube, which makes sure you do not see the individual LEDs.

The Christmas tree is standing on a foot, so that the otherwise thin design, does not tilt. Included in the set there is a double-sided tape for easy mounting on the dashboard, or where you would like to mount it. Otherwise, the Christmas tree has a small hole for display assembly at the top.
