

# Control cable, gray

Cable with 4 and 5 wires. Used for power, signal and control, as well as other purposes. All wires are black, but numbered.

Cable with 4 and 5 wires. Used for power, signal and control, as well as other purposes where high safety is a requirement.

All wires are black, but visibly numbered.

Sold in meters, but in max spool lengths of 50m. For larger quantities contact us.

Other models with more conductors or in a different dimension can be sourced.
