

# LED Emitter for Hella Luminator LED

LED emitter for replacing the xenon-white position-lights on Hella Luminator with a different color.

Yellow emitter for replacing the xenon-white position-lights on Hella Luminator.

You need 3 emitters for each Hella Luminator LED.

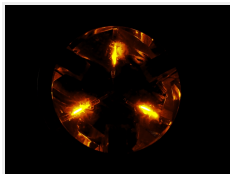

The original emitters is placed in a black plastic-case that must be opened, whereafter the emitter can be replaced and the plastic-case closed again.
