

## H3 12V Osram Cool Blue Intense 55W, 2 pack

An extra blue halogen bulb from Osrams Cool Blue Intense series. The light color is up to 4200K.

An extra blue halogen bulb from Osrams Cool Blue Intense series. The light color is up to 4200K and +20% brighter than standard halogen bulbs.

H3 bulbs are typically used in the running light and fog light, so it might also be beneficial to use Cool Blue Intense bulbs in the high beam and the position lights.

The bulbs are ECE approved, so you can use these on the road with no problems.
