Rechargeable LED Forehead Lamp Cree LED 400 lm

A bright LED headlight that gives a strong light, but at the same time is incredible light. Perfect for running and other free-time activities.

Rechargeable LED head lamp that gives a bright light, but at the same time is incredible light. The built-in zoom / focus wheel allows you to adjust the light for your purpose. Perfect for running and other free-time activities.

There are 3 functions that are chosen with the switch on the top of the lamp:

- Full brightness
- Half brightness
- Strobe

The battery is built in to the lamp, so there is no external and heavy battery pack. A 230V charger for the battery is included. The charging power is covered by a rubber lid.

- Adjustment angle of 90 degrees.
- A built-in battery
- A charger
- Exceptionally low weight
- Easy operation
