

Mikrus S - Wide - 1.5W

Spot lamp with built in 1.5W LED light source, that is equivalent to 10W halogen.
3 color temperatures.

Spot lamp with built in 1.5W LED light source, that is equivalent to 10W halogen. Available in 3 color temperatures - 2700K, 3000K and 4000K. The lamp can be turned around its own axis, and can also be tilted. This makes it easy to place as needed.

The frosted front gives you a great diffusion of the light, with soft shadows.

Quickly mounted and dismounted in the Mikrus profiles, with a 90-degree twist in the base.
