

96W LED Work light, Flood 10-30V

Very bright work light with 16 powerful Osram LEDs.

Extremely powerful LED work lamp that with its 16 x 6W Osram LEDs gives a total of real 7400 lumens (nominal 15.000). Taking the size into account, it is one of the most powerful on the market, and probably only surpassed by the larger lightbars.

The LED work lamp is available in a FLOOD version, which means that it has a good and a broad diffusion of light with its 90 degrees, and is therefore ideal for work lights close by. The housing is made of cast solid aluminum, with large cooling coils for heat dissipation.

The LED work lamp is supplied by a Deutsch DT plug on the back of the lamp and the supplied counterpart with 35cm waterproof wire. If you like you can buy a suitable wireharness with Deutsch DT plug. They are available with 1 or 2 plugs. They can be found under related products

Includes brackets and bolts and nuts for attaching it.

IP67 / IP69K
