Double-burner - BAISS socket, 2 pack

Double-burners in many different types, that is perfect for extra light in the front of your truck, and gives an old-school look.

Sold in sets of 2 lamps.

Double-burners are available in many different types; Orange, white, red, smoked, smoked orange, orange/red, and white/red. They are perfect for extra light in the front of the truck, giving an old-school look.

Each lamp has 2 BA15S sockets, where you can mount many different types of BA15S bulbs in the desired colors. Bulbs are <u>NOT</u> included in the lamps, but we recommend our series of <u>BA15S with 9 x SMD LED Bulbs</u> that fit perfectly and can be used for both 12V and 24V.

Included gasket, bolt, and o-ring for mounting
